Rapid Data Dissemination

Current Use (past 30 day) Among U.S. Middle and High School Students by Product Type — 2025 National Youth Tobacco Survey

These weighted estimates are derived from the March 4, 2025 release of the NYTS data and utilize derived variables from the data release. A more detailed data brief by demographic characteristics is forthcoming. CRST is committed to rapid surveillance, including rapid dissemination, as such, the findings presented here are preliminary and subject to change.
