

Youth Tobacco Product Monitoring Project Wisconsin

Overview

Description: We received 22 photos of 366 products collected between the 2022-2025 school years. The majority (345) were nicotine or tobacco products, with remaining products cannabis or accessories. Submissions originated from 8 counties, pictured at right, with darker shading representing a greater number of products.

Examples of Photos Submitted in 2024-2025

Products and Brands

Top Brands

Over 175 distinct brands identified:
Geek Bar (40.0%), RAZ (8.4%), Vuse (7.5%), ElfBar (6.1%), Hyde (3.8%), Breeze (2.9%), North (2.6%), Posh (2.3%), Lost Mary (2.0%), Digiflavor (1.4%), Mr. Fog (1.4%), and Pillow Talk (1.4%).

Number of Nicotine Products in Photos (N=345)

Nicotine pouches	6
E-cigarette tanks/e-liquids	6
E-cigarette pods/devices	32
Disposable e-cigarettes	301

Over 98% of products
were electronic
nicotine devices.

Flavors

Among products with an identifiable flavor, 100% were a non-tobacco flavor. Fruit flavors were most common. Blue Razz Ice and Watermelon Ice were the most popular flavors identified.
